## Video Editor & Storyteller | 10 Years on Film Sets | Trilingual FR/EN/ES

+1 (747) 270-3765 | [jules@goldkin.co](mailto:jules@goldkin.co) | [goldkin.co](http://goldkin.co) | Showreel: [youtu.be/Ds3QiTvAbUg](https://youtu.be/Ds3QiTvAbUg)

Remote | Available to work in the USA, Canada and Mexico

### PROFESSIONAL SUMMARY

---

Story-driven video editor with nearly 10 years on professional film and TV sets as a stunt performer, with 29 credits including *SEE*, *Star Trek: Discovery* and *The Man from Toronto*. Working shoulder to shoulder with directors, stunt coordinators and camera teams taught me storytelling, editing, continuity and shot composition. I work fast with a toolkit of editing and AI tools, including CapCut, DaVinci, Runway and Grok, for editing, animation, motion graphics and sound design. As founder of Goldkin Creatives, my mission is to help clients tell the story they envision.

### CORE SKILLS

---

Video Editing for Short-form and Long-Form video • Storytelling • Color Grading • Sound Design & Audio Mixing • Subtitles/Captions • Motion Graphics • AI Animation • UGC AI Avatar

### WORK EXPERIENCE

---

#### FOUNDER & CREATIVE DIRECTOR | GOLDKIN CREATIVES

Oct 2025 – Present

*Manage client projects from creative development through production, post-production and final delivery.*

##### Earth, Sun & Climate | Documentary for Fernando Arenas | [Watch documentary](#)

- Turned seven years of doctoral research into an accessible, emotionally engaging documentary for scientific colleagues, delivering the complete film in under two weeks.
- Handled storyboarding, directing, filming, editing, color grading, audio mixing and subtitles.

##### Rancho Libertad | Restoration short film

- Produced, filmed, directed and edited a short documentary about a men's recovery ministry, bringing personal stories and the organization's mission to the screen.

##### Noland Arbaugh | First human participant in Neuralink's brain-computer interface trial

- Led personal branding, social media strategy, video editing and speaking engagement management.
- Within three months, secured over \$120,000 in speaking engagements, earned a repost from Elon Musk, secured a deal with MrBeast and Noland, and booked a speaking engagement at the World Government Summit in Dubai, where Noland spoke on a panel.

##### Jesús y Los Discípulos | Co-founder & Creative Director, Christian lo-fi YouTube channel

- Designed all of the channel's visual content (branding, animation, video visuals and thumbnails) using AI tools. [youtube.com/@JesusyLosDiscipulos](https://youtube.com/@JesusyLosDiscipulos)

##### Marsus Universe | Creator & Author, original IP

- Created and own an original children's story universe, taking it from first concept to a published, cohesive intellectual property.
- Wrote and published a 70,000-word novel, *Marsus Universe: Rise of the Explorers*.
- Designed the characters, world and visual identity with AI design tools, combining writing, world-building and visual storytelling. [marsusuniverse.com](http://marsusuniverse.com) | [View the book on Amazon](#)

#### PROFESSIONAL STUNT PERFORMER | FILM, TELEVISION & VIDEO GAMES (CANADA)

May 2016 – Oct 2025

- **29 stunt credits**, including *SEE*, *The Man from Toronto*, *Star Trek: Discovery*, *Wu Assassins*, *The Decline*, *Taken*, *Future Man*, *Shadowhunters* and Ubisoft's *For Honor* ([IMDb](#)). Worked with Netflix, Apple, Amazon and Ubisoft.
- Conceptualized, designed, filmed (previs) and performed action scenes for film, TV series and video game motion capture.
- Filmed and edited action pre-visualizations that shaped shot composition and timing.

- Performed alongside major Hollywood directors and actors, including Kevin Hart, Jason Momoa, Sonequa Martin-Green and Woody Harrelson, keeping timing, continuity and safety on track with stunt coordinators and camera teams.
- **Edited stunt/action reel:** [youtu.be/Kf4AMVJo1h4](https://youtu.be/Kf4AMVJo1h4)
